REQUEST FOR EARLY PUBLICATION UNDER 37 C.F.R. § 1.219

TO THE COMMISSIONER FOR PATENTS:

Pursuant to 37 C.F.R. § 1.219, we request early publication of the referenced application. Included with this request is a copy of the application in accordance with the electronic filing system requirements. The attached copy incorporates the filing date benefit claim made by way of preliminary amendment on March 6, 2002, but is otherwise unchanged from the originally filed application. Because the amendment occurred within fourteen months of the earliest date to which priority is claimed, the application should be published with the inclusion of the priority claim.
